

Fee Schedule

Transparent pricing for physician-and-nurse medical consulting, case evaluation, medical damages analysis, and expert litigation support.

Preliminary Merit Screen

\$1,250 flat

Preliminary physician-and-nurse review of medical records to assess potential medical issues and preliminary case merit.
Defined scope.

Medical Consulting

\$500/hour

Collaborative physician-and-nurse medical record analysis, clinical case strategy, attorney consultation, standard-of-care discussion, and damages evaluation.
\$2,000 initial retainer, applied toward professional fees.

Medical Cost Projection

\$3,000

Focused analysis of anticipated medical needs and future medical costs.
\$1,000 initial retainer, credited toward the total project fee.

Focused Life Care Plan

\$10,000

Defined future-care needs with a focused set of care domains and medically stable projections.
\$2,000 retainer.

Comprehensive Life Care Plan

\$15,000

Broader care-category analysis across the affected systems and future needs in the record.
\$2,000 retainer.

Complex / Custom Life Care Plan

\$20,000+

Catastrophic, unusually complex, or high-volume matters requiring custom scope and coordination.
\$2,000 retainer.

Affidavit / Written Expert Opinion

\$1,000

Preparation of a written medical opinion or affidavit based on applicable requirements and reviewed materials.
Defined scope.

Deposition Testimony

\$2,000 minimum

Deposition testimony within the agreed engagement scope.

Four-hour minimum.

Trial Testimony — Half Day

\$2,000

Trial testimony for a half-day engagement.

Up to 4 hours.

Trial Testimony — Full Day

\$4,000

Trial testimony for a full-day engagement.

Up to 8 hours.

Retainers are credited toward professional fees. Final scope and payment terms are established in the engagement agreement. Applicable travel expenses are reimbursed at cost.
